- **Communication** :- We had a daily standup meeting on zoom for 15 mins to discuss what we have achieved today and we plan to do tomorrow. We also discussed any blockers faced by the team and tried to propose solutions for them.

**Week 2: (3/9 - 3/14): -**

**5. Kartik**

- a. What tasks did I work on / complete?
  - API for admin dashboard.
- b. What am I planning to work on next?
  - Integration for admin UI and API.
- c. What tasks are blocked waiting on another team member?
  - UI for admin dashboard.

**6. Samik**

- a. What tasks did I work on / complete?
  - Completed API for signUp and working on UI for login.
  - Working on UI for the login page.
- b. What am I planning to work on next?
  - Complete UI for login page.

- c. What tasks are blocked waiting on another team member?

#### **7. Kaustubh**

- a. What tasks did I work on / complete?
  - Worked on API for login page.
  - Completed integration for SignUp.
- b. What am I planning to work on next?
  - API for login page.
- c. What tasks are blocked waiting on another team member?

#### **8. Siddhant**

- a. What tasks did I work on / complete?
  - Working on UI for admin dashboard.
- b. What am I planning to work on next?
  - Completing UI for admin dashboard and integrating.
  - UI for locations and vehicles page.
- c. What tasks are blocked waiting on another team member?

#### **XP Core Value :-**

- **Communication :-** We continued to have a daily standup meeting on zoom for 15 mins to discuss what we have achieved today and what we plan to do tomorrow. We also discussed any blockers faced by the team and tried to propose solutions for them.

#### **Week 3: (3/15 - 3/21): -**

##### **9. Kartik**

- a. What tasks did I work on / complete?
  - Completed integration of admin dashboard.
- b. What am I planning to work on next?
  - API for vehicles and locations.

- c. What tasks are blocked waiting on another team member?

**10. Samik**

- a. What tasks did I work on / complete?
  - Still working on the UI for the login page.
- b. What am I planning to work on next?
  - Integrating login UI and login API.
- c. What tasks are blocked waiting on another team member?
  - API for login page.

**11. Kaustubh**

- a. What tasks did I work on / complete?
  - Working on API for login page.
- b. What am I planning to work on next?
  - Complete API for login page.
- c. What tasks are blocked waiting on another team member?

**12. Siddhant**

- a. What tasks did I work on / complete?
  - Continued work on UI for vehicles and locations.
- b. What am I planning to work on next?
  - Complete UI for vehicles and locations.
  - End to end integration.
- c. What tasks are blocked waiting on another team member?
  - API for vehicles and locations.

**XP Core Value :-**

- **Communication** :- We continued to have a daily standup meeting on zoom for 15 mins to discuss what we have achieved today and what we plan to do tomorrow. We also discussed any blockers faced by the team and tried to propose solutions for them.

**Week 4: (3/22 - 3/28): -**

**13. Kartik**

- a. What tasks did I work on / complete?
  - Completed API for vehicles and locations.

**14. Samik**

- a. What tasks did I work on / complete?
  - Completed UI for login page and end to end integration.

**15. Kaustubh**

- a. What tasks did I work on / complete?
  - Completed API for login page.

**16. Siddhant**

- a. What tasks did I work on / complete?
  - Completed UI for vehicles and dashboard and end to end integration.

**XP Core Value :-**

- **Communication** :- We continued to have a daily standup meeting on zoom for 15 mins to discuss what we have achieved today and what we plan to do tomorrow. We also discussed any blockers faced by the team and tried to propose solutions for them.

- The team achieved close to ideal burndown.
- All components were tested successfully on local machines.
- Team conducted Sprint 2 planning and task distribution.

**Sprint 2 (4/1 - 4/28): -**

**Week 1: (4/1 - 4/7): -**

**17. Kartik**

- a. What tasks did I work on / complete?
  - Working on a UI for searching cars.
  - Working on the API for searching cars.

- b. What am I planning to work on next?
  - Completing tasks for searching and API.
- c. What tasks are blocked waiting on another team member?

**18. Samik**

- a. What tasks did I work on / complete?
  - Completed UI for vehicle reservation.
- b. What am I planning to work on next?
  - API for vehicle reservations.
- c. What tasks are blocked waiting on another team member?

**19. Kaustubh**

- a. What tasks did I work on / complete?
  - Working on API for reservation history.
- b. What am I planning to work on next?
  - Completing API for vehicle reservation history.
  - UI for reservation history.
- c. What tasks are blocked waiting on another team member?

**20. Siddhant**

- a. What tasks did I work on / complete?
  - Research on containerization of web services.
- b. What am I planning to work on next?
  - Sample docker images and testing.
- c. What tasks are blocked waiting on another team member?
  - Completed frontend and backend code.

**XP Core Value :-**

- **Communication** :- We continued to have a daily standup meeting on zoom for 15 mins to discuss what we have achieved today and what we plan to do tomorrow. We also discussed any blockers faced by the team and tried to propose solutions for them.

**Week 2: (4/8 - 4/14): -**

**21. Kartik**

- a. What tasks did I work on / complete?
  - Completed API and UI for search and integration.
- b. What am I planning to work on next?
  - Alternative locations component.
- c. What tasks are blocked waiting on another team member?

**22. Samik**

- a. What tasks did I work on / complete?
  - Working on API for vehicle reservation.
- b. What am I planning to work on next?
  - Fee calculation and payments component.
- c. What tasks are blocked waiting on another team member?

**23. Kaustubh**

- a. What tasks did I work on / complete?
  - Completed UI for reservation history.
  - Working on API for reservation history.
- b. What am I planning to work on next?
  - Complete API for reservation history.
  - Integration.
- c. What tasks are blocked waiting on another team member?

**24. Siddhant**

- a. What tasks did I work on / complete?
  - Completed building sample docker images.
  - Research on EC2 cluster.

- b. What am I planning to work on next?
  - Provisioning EC2 cluster on AWS.
- c. What tasks are blocked waiting on another team member?
  - Completed frontend and backend code.

**XP Core Value :-**

- **Communication** :- We continued to have a daily standup meeting on zoom for 15 mins to discuss what we have achieved today and what we plan to do tomorrow. We also discussed any blockers faced by the team and tried to propose solutions for them.

**Week 3: (4/15 - 4/21): -**

**25. Kartik**

- a. What tasks did I work on / complete?
  - Completed alternative locations component.
  - Completed API and UI for user management.
- b. What am I planning to work on next?
  - Integration.
- c. What tasks are blocked waiting on another team member?

**26. Samik**

- a. What tasks did I work on / complete?
  - Completed API for vehicle reservation.
  - Fee calculations and payments component.
- b. What am I planning to work on next?
  - Completing fee calculations and payments component.

**27. Kaustubh**

- a. What tasks did I work on / complete?
  - Integration.

- b. What am I planning to work on next?
- c. What tasks are blocked waiting on another team member?

**28. Siddhant**

- a. What tasks did I work on / complete?
  - Provisioning EC2 cluster on AWS.
- b. What am I planning to work on next?
  - Containerization and end to end deployment of the application on AWS.
- c. What tasks are blocked waiting on another team member?
  - Completed frontend and backend code.

**XP Core Value :-**

- **Communication** :- We continued to have a daily standup meeting on zoom for 15 mins to discuss what we have achieved today and what we plan to do tomorrow. We also discussed any blockers faced by the team and tried to propose solutions for them.

-

**Week 4: (4/22 - 4/28): -**

**29. Kartik**

- a. What tasks did I work on / complete?
  - Completed end to end Integration.

**30. Samik**

- a. What tasks did I work on / complete?
  - Completed Fee calculations and payments component.

**31. Kaustubh**

- a. What tasks did I work on / complete?
  - End to end integration and testing.

**32. Siddhant**

- a. What tasks did I work on / complete?
- b. What am I planning to work on next?
- c. What tasks are blocked waiting on another team member?
